Masterful design and state-of-the art construction characterises The Atrium office Tower.

This one-of-a-kind commercial building boasts 5 floors and 9 underground parking spaces sheathed in high-performance materials and provisions for a productive and efficient work environment.

The building comes complete with high-ceilings and advanced technology provisions, whether the buyer opts for shell & core or fully furnished units. A one-of-a-kind central atrium with plants enhances the property's natural lighting and ventilation system.

A location to be envied, just across the provincial administration, stones thrown away from Anexartisias high street and the beach front. The Atrium redefines what the working environment should be, right in the heart of the old town.
